A FRIEND OR TWO

There's all of pleasure and all of peace
In a friend or two;
And all your troubles may find release
Within a friend or two;
It's in the grip of the sleeping hand
On native soil or in alien land,
But the world is made--do you understand--
Of a friend or two.

A song to sing, and a crust to share
With a friend or two;
A smile to give and a grief to bear
With a friend or two;
A road to walk and a goal to win,
An inglenook to find comfort in,
The gladdest hours that we know begin
With a friend or two.

A little laughter; perhaps some tears
With a friend or two;
The days, the weeks, and the months and years
A vale to cross and a hill to climb,
A mock at age and a jeer at time--
The prose of life takes the lilt of rhyme
With a friend or two.

The brother-soul and the brother-heart
Of a friend or two
Make us drift on from the crowd apart,
With a friend or two;
For come days happy or come days sad
We count no hours but the ones made glad
By the hale good times we have ever had
With a friend or two.

Then brim the goblet and quaff the toast
With a friend or two,
For glad the man who can always boast
Of a friend or two;
But fairest sight is a friendly face,
The blithest tread is friendly pace,
The heaven will be a better place
For a friend or two.

Dedication

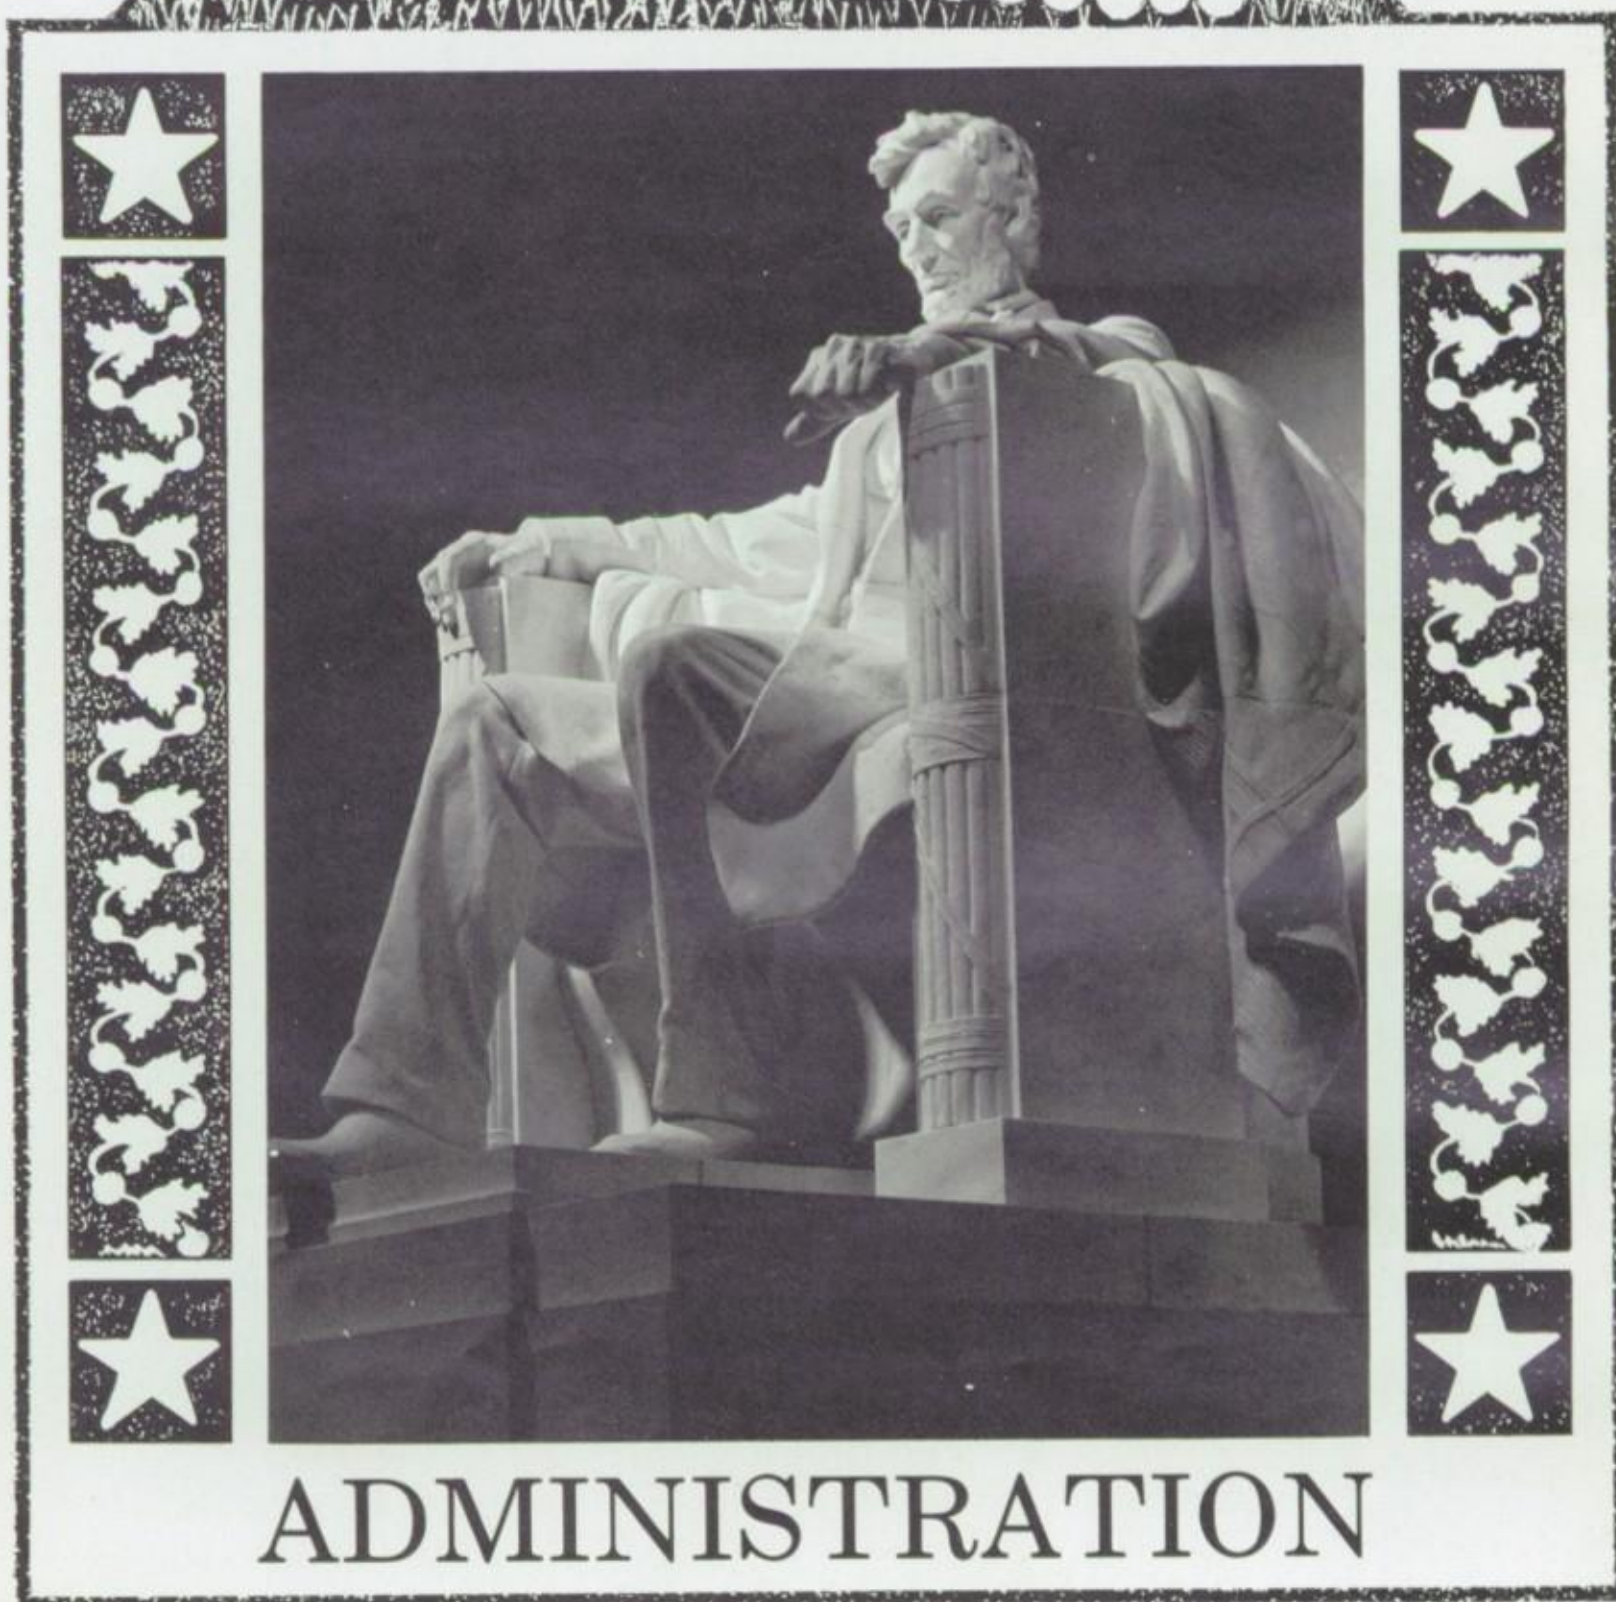

We, the students of Old Town High School proudly dedicate the 1976 edition of the Sachem to:

MISS HESTER L. CARTER

Her untiring dedication to her students and high standards of excellence have been an inspiration to those that had the privilege of knowing her. At times when it would have been easy to accept less than excellence from herself and those under her guidance, she refused. Instead, she persevered and challenged her students to levels of achievement far beyond their expectations. Her unselfish loyalty and devotion to her profession and her students has been truly outstanding and very conspicuous.

We gratefully acknowledge the contribution that Miss Carter has made to Old Town High School and the lives of her students as a friend and teacher.

HI YEARBOOK READERS!

Being an AFS student in Old Town for one year 1975-76, has been a lot of fun and a great opportunity for me to meet new people.

I am very glad to have this opportunity to say something about myself living here in Old Town.

Well, I'll start by saying it has been a great experience for me. It began the moment I left home. The first week it was really exciting and at the same time

uncertain and confusing. The weather was nice and warm, but when my host family told me that it would get really cold, I didn't believe them.

The month of September came and with it school started. I remember my first weeks rushing to one class to another and trying to understand the teachers. I used to say, those teachers talk so fast for me. But after awhile I started to enjoy being in school. Especially with all

Rocio Pazmino

the kids. They have been really nice to me. They gave me a lift at all times, and made me feel like at home back in my country.

When the kids elected me Homecoming Queen, I was really happy and pleased to have been picked and I had a good time at the dance.

Basketball season started and not only that sport, but track, swimming, etc. I couldn't wait to be on one of the teams, but it was a pity that I couldn't compete. The laws here are quite strict. However, I was full of energy to cheer and cheer for our teams just the same.

Winter came and for me it was the first time in my life I have ever seen snow. I love it, but it is not my good friend, this cold weather. I enjoy sliding, skating and other winter sports.

Well, I must say that it's hard to believe that a year can pass by so quickly, but when thinking of everything it seems to me like a year of very exciting living and learning a lot of life and people.

I have to thank you, the teachers and school. They really helped me and especially a big thanks to the Phelps; they have been very good to me.

IN CONGRESS, JULY 4, 1776.

The unanimous Declaration of the thirteen united States of America.

When in the Course of human Events, it becomes necessary for one People to dissolve the political Bands which have connected them with another, and to assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of mankind requires that the Declaration which they make, should be plain and unambiguously expressed, that they are entitled by the Laws of Nature and of Nature's God to certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, and whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Manner, as to them shall seem most likely to effect their Safety and Happiness. Prudence in such a Case, would dictate that Governments long established should not be changed for light and transient Causes; and accordingly all Resentments having been exhausted, it has been their Wisdom to suffer them to stand until now, when a long Train of Abuses and Misuses has connected and fastened the Ties which bind them to us, and it has become necessary to declare their Independence, and to assume among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them. We have therefore declared our Independence, and we have assumed among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them. We have therefore declared our Independence, and we have assumed among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them.

Boy's

1ST ROW--J. Carson, J. Thibodeau, H. Lajoie, R. Rand, J. Shorette, J. Clukey, T. Leavitt, 2ND ROW--Coach Hadley, K. Ford, P. Clark, V. Cunningham, M. Riva, K. Paradis, R. Lajoie, 3RD ROW--K. Runnells, G. Simon, M. Holmes, R. Stevens, M. Burton, T. Cote, D. Cosenze.

The 1975 Indian baseball squad combined a sound defense, strong pitching, and timely hitting to achieve their second straight second place finish in the "A" division of Class A.

Joe Thibodeau, John Clukey, and Harry Lajoie closed out their baseball careers at Old Town High as the teams' offensive leaders. Joe Thibodeau (6-2) including a no-hit gem vs. Hermon and Vernon Cunningham (4-3) were the mainstays of the mound corps.

The 1975 Squad graduated several outstanding ball-players: Jim Carson, John Clukey, Harry Lajoie, Tom Leavitt, Randy Rand (Co-Capt), Joe Shorette (Co-Capt), and Joe Thibodeau. These seniors were all starters and contributed greatly to the combined 20-10 record over the past two seasons. They will be sorely missed.

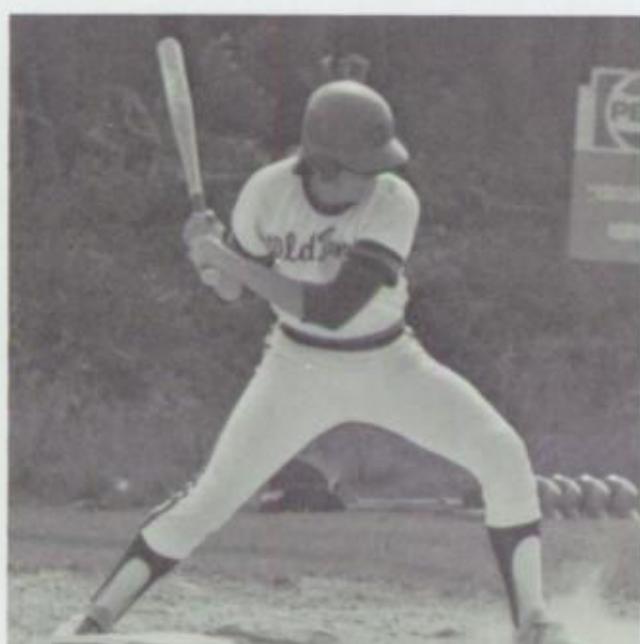

Typical of recent Indian squads, pitching and defense will again be the key to success in 1976.

Returning for the 1976 season are letter winners: Vernon Cunningham (P & IF); Mike Holmes (LF); Mike Riva (IF); Rod Stevens (OF); and Peter Clark (IF-OF).

These five veterans and returning squad members, joined by an outstanding group of incoming Sophomores, should provide Indian fans many enjoyable, balmy Spring days.

Softball

The Girls' 1975 season in Softball wasn't a successful one as far as wins and losses is concerned. However it was successful as far as the participation and attitude went. The season was definitely a building one for the girls. The team consisted of ten underclassmen, letter-winners Debbie Trafton, Mary Snow, Ann St. Peter, Maxine Nash, Vinita Brown, Paula Oakes, Paula Raymond, other underclassmen were Paula Thibodeau, Gloria Chubbuck, and Sarah Curtis, all these girls will be returning for the 1976 season. The three graduating seniors on the team, Brenda Simon, Kim Damien and Georgia Estes were all letter-winners.

The one game that the girls did win was certainly an impressive one, they beat Brewer 9-8 on a 6th inning 3 run homer by Brenda Simon. Brewer later went on to win their league's championship.

During the season the team was led offensively by Brenda Simon hitting a solid .490, defensively they were led by Paula Raymond with 42 put outs.

At the annual Sports Awards Banquet three girls received trophies of special recognition, they were Most Valuable Player: Georgia Estes, Most Sportsman-like: Kim Damien and Most Improved: Maxine Nash.
